

NOTICE OF COMMUNITY MEETING

South Hayward BART/Mission Boulevard Concept Plan

You are cordially invited to attend the initial community meeting for the South Hayward BART/Mission Boulevard Concept Plan study, to be held **Wednesday, January 19, 2005, from 7:00 p.m. to 9:00 p.m. at Treeview Elementary School, located at 30565 Treeview Street.**

The study will result in the development of a conceptual design for the study area that illustrates how future redevelopment of the area could be compatible with the surrounding neighborhoods. In addition, the conceptual design will propose an overall circulation pattern and transportation linkages for the South Hayward BART Station area.

We value your opinion. Individuals, organizations and other interested parties are invited to participate in this process. If you are unable to attend the meeting and would like to comment or ask questions, please feel free to contact us.

PLEASE NOTE: If you wish to remain on the mailing list for future notices regarding this study, please let us know at the community meeting or contact us at the address or phone number below.
